Youth Advisor

All youth have the right to self-confidence, self-reliance and self-respect. The YWCA Youth program designs and delivers workshops that empower youth throughout Delaware towards successful futures. Our staff provides hope and opportunity by building leadership skills, character development, college and career readiness and diversity awareness with at risk youth. We are seeking a Youth Advisor who will facilitate a variety of life skills programs to assist the girls, and sometimes boys, navigate the challenges of adolescence that would impact their ability to successfully graduate from high school, attend college or vocational school and become productive members of society. In addition, the Youth Advisor will identify and recruit new community partners and venues from which to deliver services, while maintaining current partnerships. Our enrichment programs are delivered primarily at middle and high schools as well as nonprofit youth organizations.

We’re looking for a trained professional with experience working with adolescent at-risk youth. A bachelor’s degree in Human Services, Social Work, Education or related field and a minimum of 2 years experience working with youth is required (This includes any student teaching or other youth related experience). Bilingual (English/Spanish) is a plus. The regular schedule is Monday through Friday with an occasional Saturday or evening workshop; flexibility of scheduling is important. Most travel will be in New Castle County. The Youth Advisor must have access to reliable transportation.
